ABOUT ANNIE

Annie was born and raised on the Peninsula and lives in Millbrae. She has spent her life building stronger communities and helping our neighbors realize their dreams of home ownership as a realtor at OMarshall, Inc. Annie is running for State Senate to take bold action on the issues that impact our quality of life on the Peninsula — housing, homelessness, sea level rise, and traffic gridlock.

ABOUT THE HOT SARDINES

“These are times that need live music,” says Hot Sardines co-leader Elizabeth Bougerol. An eight-piece ensemble described as “potent and assured” (*The New York Times*), these mischief-makers of hot jazz are a “live music powerhouse.” (*POPMATTERS*) Check out more at hotsardines.com.

ABOUT SUZANNE ROCHE

An award-winning writer of children’s books, travel articles and short stories, Suzanne Roche began inviting musicians from around the world to play at her landmark home in Hillsborough with the goal of bringing more world-class jazz to the Bay Area. It was from these wonderful events that JAZZ AT THE BALLROOM (JATB) was born.

*ABOUT THE EVENT VENUE

The original Bing Crosby estate in Hillborough, the legendary crooner and his wife Kathryn lived at 101 Robin Road in the 1960s. These days, Roche and her family fill this magnificent 1930 Tudor with love, laughter, and (of course) music.
